THE ADVENTURES OF DENNY SARGENT

The Adventures of Denny Sargent is beat-off erotic fiction written to be read under airtight control.

Denny Sargent takes you along for the awesome ride into the world of manly fetishes: leather, bikes, SM, boots, sweat, uniforms, wrestling. You name it. Denny does it.

And nobody does it better. Denny Sargent is a wild animal testing his sensuality. He's a man's man who wants men.

And men want Denny.

First of all: Sam, the masterful tattooed dirt biker. Best of all: Chuck, who drives home to Denny the ritual-fetish essence of man-to-man sex, love, respect, and worship as Denny bulks bigger in body, brains, and genuine attitude.

Denny Sargent, episode after episode, is a hands-on hard-on you'll look forward to with your dick and your head.

**** "The sensational elements of Denny Sargent are handled with extreme discipline, so that what we get is not only sex and fetish for the sake of sex and fetish, but sex and fetish to illuminate the characters' (and the readers') minds."

**** "The Adventures of Denny Sargent is a definite book for bedside and bathroom."

MAN2MAN'S SEXUAL FETISH LIST OF HARD2FIND CELEBRATIONS

NO MAN IS ALONE. No matter how private or personal or secret or severe your magnificent obsessions, a man deserves to enjoy his own satisfactions by celebrating them MAN2MAN with other homosensualists and homofetishists.

The litany of sex-n-fetish play and pleasure is an endless seductive list of gestures, moments, and things snapped manfully together. The layers of this sensual inventory separate the boys from the men who take their time to savor signals that come from deep inside a man's expressive masculine presentation of self.

MANIMALS: KINK2KINK PLUS TLC

MANIMAL'S LIST OF HARD2FIND TRIPS, listed below, clues you into the kind of kink who reads MAN2MAN with one hand. (The LIST also reads like an index of MAN2MAN's up-coming articles and fiction!)

YOUR FIRST AD? DARE TO LOOK FOR WHAT'S LOOKING FOR YOU!

MANIMALS: Write and reveal your male self however you would like to be, to make your sex-style what you want your male-play to be. Take your nightlife into your hands and use it! Very few care, or even know, what your private self and personal pleasures are as much as you do. Your daring hunt (to put out enough energy) for the men who will meet and match you man-to-man puts the hardon into your ballsy adventures!

MANIMALS connects men: totally uncensored!

In MANIMALS you can unclonet your most secret turn-on fantasy and find a man of matching reality. Once a man's dick gets liberated, his private head trips follow hard on.

Once your genital sexuality come out, you can move right on into your total-body sensuality that seeks man-to-man playing around.

How much pleasure do you want?

As much as you can stand!

DOES TARZAN POUND HIS CHEST?

Tarzan swung from long vine to longer vine. He pounded his pex. He shouted his famous yell. His Primal Scream (if it had subtitles) was his Personal MANIMAL Ad for what he was into that night.

Tarzan advertised...and the ANIMALS CAME RUNNING.

Your Very Personal Ad in MANIMALS is FREE up to 30 words at the time of your subscription.

So, if you decide the time has come for you to place a Personal Ad, write your own for MANIMALS. Pound it out of your pex! Pecker it out real good on your typewriter! Print it with a Crayon if they won't let you play with anything sharp! But send in your ad precisely the way you figure your very private fantasy/reality ought to be shared man-to-man.

GIVE IT YOUR BEST SHOT

Taste some samples of ads you'll find in MANIMALS. They are various kinds of nice-n-nasty celebrations of often HARD2FIND pleasures.

The "L. A. FILTH" ad is a classic. MAN2MAN salutes its honest intensity. (More men have commented on this ad than on any other in the history of underground Personal Ad exchanges!)

The man who wrote it gives definite impression he knows precisely what kind of a good time he wants. He ain't pussyfooting around, apologizing to the old cliché that he's "tired of bars, fats, and fems." Instead, he accentuates the positive. He asks no man's permission to hang out an Ad for his primal, personal, private self.

L. A. FILTH

Tough, hard, beer-drinking, cigar-smoking, foul-mouthed dirt dude with rank armpits, slimey asshole and a cruddy uncut cock wears greasy, rotten stinking boots, socks, jocks, teeshirts, levis, and leather. Digs spitting, pissing, shitting, puking, sweating, and farting, and gets off with chains, tires, concrete, mud, tools, rubbers, oil.
