INTERVIEW WITH JACK FRITSCHER:

“MY NEPHEW! MY STAR! INCEST? Imagine how pleased I am that my soldier-brother’s *uncut* son, raised in the military--mostly in Germany, took up *bodybuilding* at 16 and came out into *leather* at 25 as a young top specializing in mature men! Mike actually owns his own successful gym. He was featured body builder poser at the last *INTERNATIONAL MR. LEATHER CONTEST* in Chicago, and he visits San Francisco often. My nephew Mike, a natural for *DRUMMER, POWER PLAY, FORE-*

**SKIN QUARTERLY, & LEATHERMAN** magazines, is very **TOM OF FINLAND**. In fact, Mike appears twice in my new photography book titled **JACK FRITSCHER'S AMERICAN MEN**

(GayMen'sPress, London, October 1995). Mike is an uncut stud into muscle worship by men who stroke/sniff/lick his pecs, arms, thighs, bubble butt, & uncut cock. My nephew Mike is an *exhibitionist* who shows off his big uncut dick and muscles on stage, on camera, and even in my famous red pick-up truck. His big dick reminds me of my brother, whose son Mike is. For you who must ask if Mike and I have sex, only the video ( "*My Nephew! My Lover!*" ) will clue you!"

**MIKE FRITSCHER:**

*Dedicated leatherman, 32, 6', packed brick-thick 225#, 50" chest/pillow pecs, 20' arms, bubble butt, hung 8'LX7'R = 56 SQ. inches of uncut thrust, flat-top, moustache, goatee, hairy armpits, pierced nipple, tattoo.*
