STALKING THE UNCUT ROYAL MARINES

THE BLAKE TWINS are 28, fraternal, crewcut, spectacularly muscled, big blue-eyed, blue-collar Brits. Their uncut dicks together measure 18+ inches and their combined weight is a quarter ton—dick size and body mass split evenly.

Gage is the quiet twin.

Blue talks the talk.

They are friendly.

“So,” I say making an anti-joke, “you protect the Queen.”

Gage laughs and says, “Actually, Prince Edward.”

Hmmm, I muse.

“Yeah,” Blue says, “the Royals are falling apart, so’s the UK. You Yanks can call the miniseries *Gone with the Windsors*.”

Blake laughs.

Gage laughs.

We all goddam laugh.

They eat. Massive muscular arms lifting the food. Twin stacks of pancakes. Double orders of scrambled eggs. Lush black coffee. The air-diner tab is fifty bucks. The care and feeding of body-builders. I fold out the cash at the register. The Twins flank me like Black-And-Tan bodyguards.

I get a rush.

Sex is in the air.

Blind meat makes me *crazy*.

I love big, thick, juicy, uncut dick.

I love it clean and washed with the smell of fresh army-issue soap.

I love it sweaty, cheesy and dirty with the honest smegma of a big working-man who hasn't had time to strip its roll of lip back to wash its ring around the collar.

I've paid my dues sniffing out the most beautiful dicks: huge, thick, chunky cocks that hang long and strong, with the heavy-veined shafts helmeted with a juicy fold of foreskin.

I usher the hunks into the Palm Drive free-weight gym.

They hit a few poses in the mirrors.

I check out their “look” in the video lights.

They strip off their uniforms and oil each other up like best buddies who've curled up together since before birth.

Their twin uncut dicks are a matched

set, hanging between massive thighs mapped with veins like a roadmap to heaven.

How I suffer for art!

Having these Twins in my gym is not personal.

We three have come together so they can cum for the viewers. I won't cum until night. After they fly away.

I worship the uncut dick attached to these muscular military twins descended from Anglo-Saxon warriors with a bit of blond Viking Berserker thrown in the genetic mix for fucking wild good measure.

The Blakes, typically British, thought nothing special about their foreskins until they hit the shores of the USA. A little stateside sexual experience taught them how much guys prefer their *tubed* steaks.

They strut and pose for the camera proudly flaunting the gift that was not cut away from them.

Through my viewfinder I figure there's nothing hotter than a man with an uncut dick who likes to pose and swing his big, blind stuff—unless it's muscle-animal twins mirroring each other's moves.

Looking at the twins, a man needs a drool bucket. Maybe I even said as much.

"You ain't kidding," Blue says knowingly between takes.

"My bruver and I," —his accent ain't Masterpiece Theatre, dude—"like to take showers in the Marine barracks, with all the guys. You see a guy scrubbing and soaping his uncut dick, washing his banger inside the skin, and out, stretching, holding it up to the shower spray, filling the cup of skin with water, and nobody looks twice.

"It's all natural to us. You're the ones with the funny-looking dicks. Isn't that true, Gage?"

"Yeah, it's true what my bruver says. You guys have funny dicks."

The Twins stroke their fat, uncut meat. Their faces are fraternal, but their dicks look identical to me.

They talk about themselves as twins having sex with their dad, who is now age 47. I restrain the impulse to immediately phone their dad for a Blake-bunch 3-way.

Don't cha luv *family values!*

The hot video lights bring drops of sweat on their muscled pecs.

I adjust the focus and zoom in on a well-hung

guy jerking off his own uncut rod. I notice he gets a longer stroke than my cut models because of the extra skin. It slides like a slick piece of heaven up and down his shaft.

Gage mentions a girlfriend he's hot for.

Blake says, "I like to watch my bruver fuck. We pick up some Asian girl, tie her down, and shave her pussy. Then while Gage fucks her, I lick out his ass."

My heart cracks thunder. My dick inches further down my jeans!

These guys are turned on by sex together in all it perversatile forms.

I salute their eager carnal-
