My Nephew, My Lover

Palm Drive Video

Produced by Mark Henry

60 Minutes

This is video wall paper at its finest. If your taste in adult video tends toward all male, man to man action, buy Bear Sex Party, you'll be disappointed with My Nephew, My Lover. If, on the other hand, you want a video that is going to give you a man who is very pleasant to look upon while your boy sucks your dick, this is definitely the video to buy.

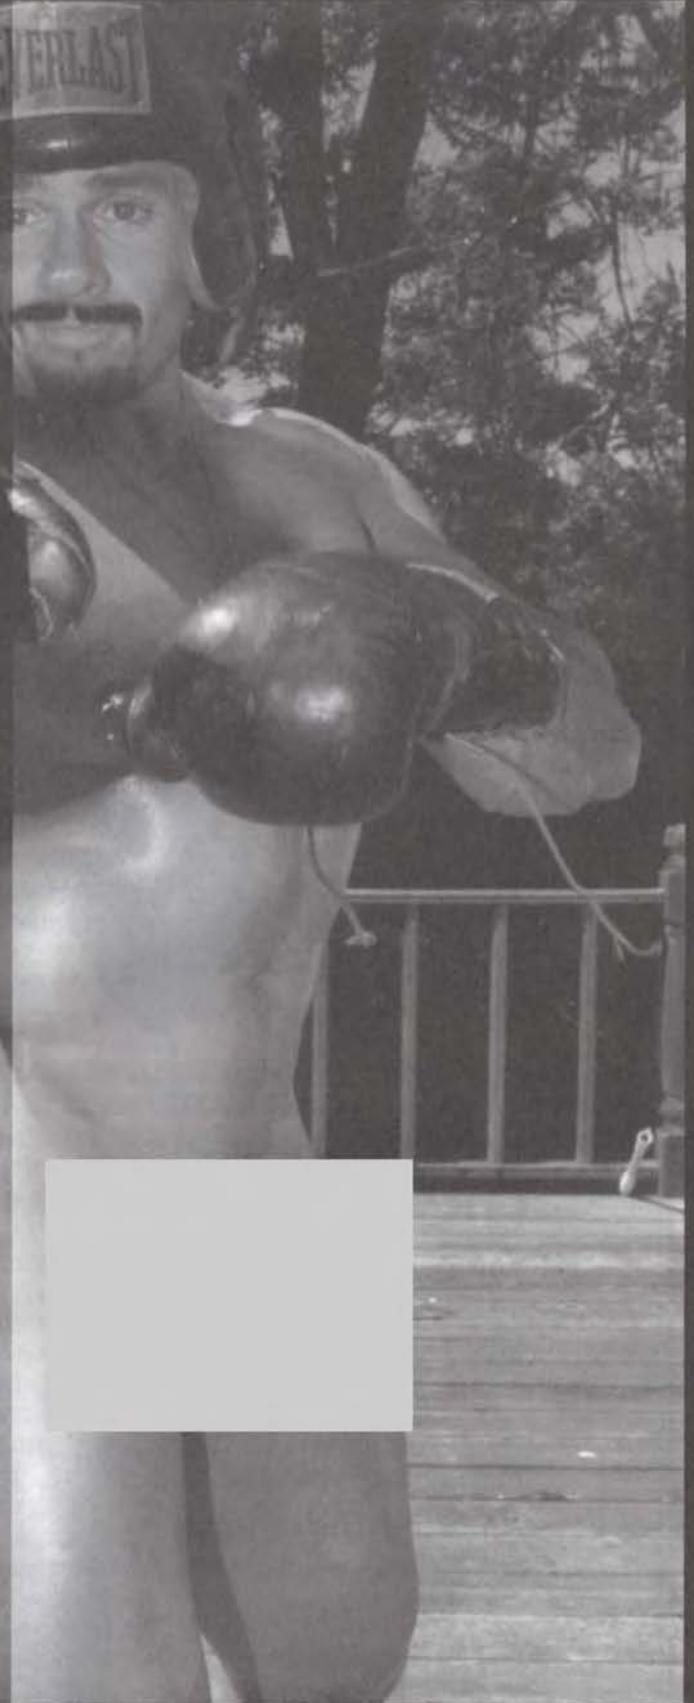

Mike Fritscher is a 32 year old, 225 pound muscle man. His chest measures 50", and his cock is not small in any dimension, so you know his picture is in Funky Wagnall's as the definition of "eye candy."

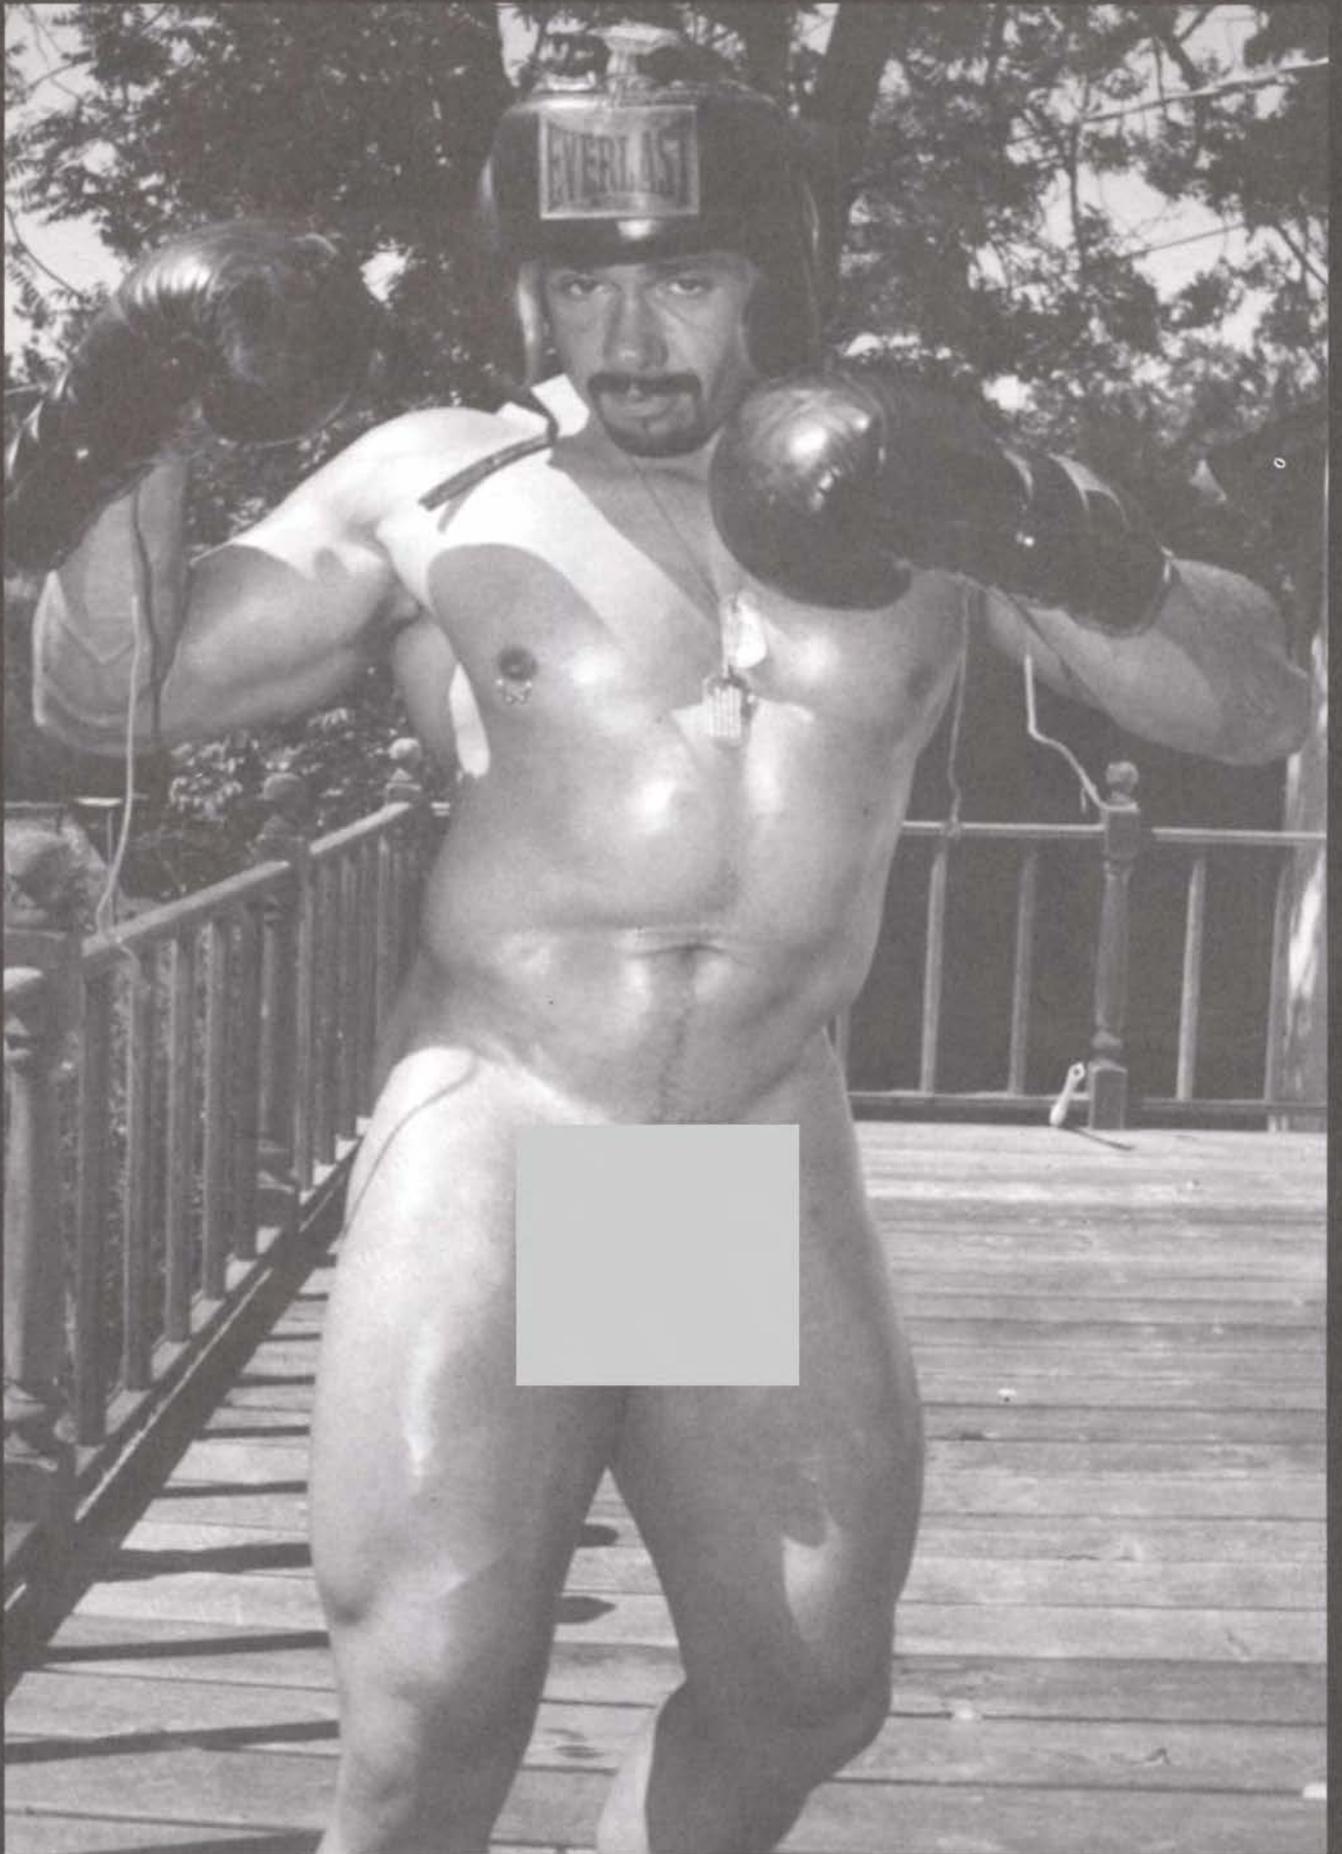

He first appears on the screen in a leather posing pouch and engineer boots, giving you a very good look at his more than delicious body. Next, he shows up in fireman's jacket and thigh high rubber boots, (this is where my boy's dick started to drool) which quickly becomes just those lovely tall boots and his perfectly bronzed skin. Muscle fans everywhere will appreciate this video.

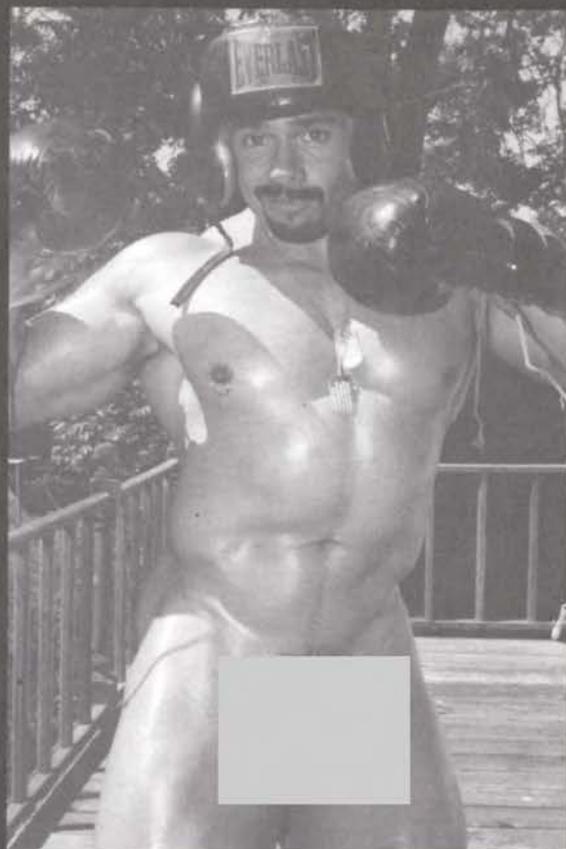

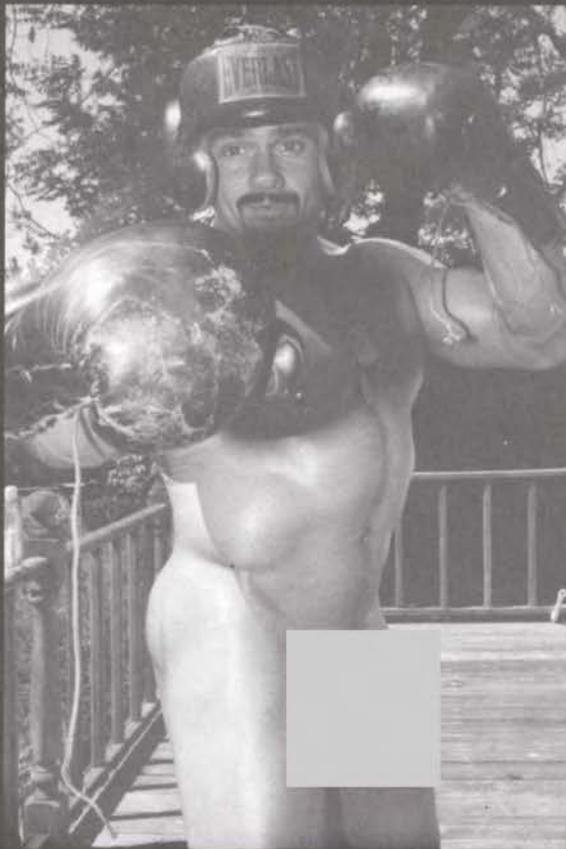

Mike's 8" uncut dick does, as the video box proclaims, stay hard throughout the video, and the second segment has him playing with the foreskin for several minutes. His rose tattoo and cut musculature are a veritable feast for the eyes all the way through to the final segment: Mike, in leather, jacking off in a red Ford pickup truck.

My sole disappointment in the video is that the producers only gave us one copy to review, which "he who signs the paychecks" added to his collection, leaving me to buy my own.

My Nephew, My Lover, along with the entire line of Palm Drive Videos, is available from Brush Creek Media. Call 1-800-234-3877 for more details about obtaining your own copy.
