MEN OF PALM DRIVE VIDEO

PHOTOGRAPHY BY JACK FRITSCHER / PALM DRIVE VIDEO

Among porn pioneer Jack Fritscher's many talents is his uncanny ability to reel in some of the sexiest, nastiest, realest men and capture their raw masculinity on film and video. He gets 'em talkin' and cursin' and spittin' and pissin' and all of those sorts of things that we love to love, and somehow maintains an edginess in his work where you're always just a little uncomfortable that something might go wrong, but that keeps you watching.

So, we wanted to share some of the guys who make Jack's contribution to porn and, in particular, *BEAR* so special. For many of you who weren't here at the beginning, these are, in many cases, the types of guys early *BEAR* readers embraced; guys who look like they coulda been pulled out of the cab of an 18-wheeler, peeled off the floor of a public toilet, or hauled off the "bitch seat" of a Harley fat boy.

You can check out more of the brilliance of Jack's edge at www.palmdrivevideo.com.
